

(Press Release)

MD Cannabis Automation is appointed partner to Cannabis Compliance Inc.

To all our valued customers,

Effective June 13, 2018, MD Cannabis Automation has become a strategic partner to Cannabis Compliance Inc. As leaders in the medical and recreational cannabis industry, this new partnership further enhances our expertise in the industry.

Cannabis Compliance Inc. offers risk mitigation, due diligence and regulatory compliance for commercial cannabis producers and resellers around the world. They focus in the Global market, and provide their clients with trusted and comprehensive solutions. CCI has extensive expertise in regulatory compliance, cultivation/horticulture, security designs/tender, facility designs/build-outs, quality assurance programs, Import & Export, staff recruitment and financial planning. CCI exists to empower the future leaders in the global cannabis industry.

Our partnership with Cannabis Compliance Inc. emphasizes MD Cannabis Automation's growing focus on the cannabis industry. Our turn-key solutions include design and engineering, labellers, induction sealers, scales, baggers, conveyors, liquid filling lines and product inspection tailored to the cannabis industry. We also service and support all of the equipment and lines we sell! For more info – please visit www.cannabisautomation.ca.

Sincerely,
